INDEPENDENT AUDITORS' REPORT

The Board of Directors
National Alliance on Mental Illness - Virginia Beach
Virginia Beach, Virginia

Report on the Financial Statements

We have audited the accompanying statements of financial position of National Alliance on Mental Illness - Virginia Beach, as of June 30, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Patrick Michael Finn, Jr.
Certified Public Accountant

Michael D. Gartman

Auditor's Responsibility

William E. Hart
Certified Public Accountant

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of National Alliance on Mental Illness - Virginia Beach, as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NATIONAL ALLIANCE ON MENTAL ILLNESS - VIRGINIA BEACH
NOTES TO FINANCIAL STATEMENTS
June 30, 2016

Note A – Nature of Organization and Summary of Significant Accounting Policies

Nature of Organization—National Alliance on Mental Illness - Virginia Beach (the “Organization”) is a non-profit grass roots organization and the voice for those affected by serious mental illness. Through ongoing education and training programs, support groups, and a helpline, the Organization connects to people with the goal of improving the quality of life for recovering individuals and their families. The Organization advocates at the local, state, and national levels to eradicate the stigma associated with mental illness and is committed to improving the lives of the community at large through free educational programs and community-wide inclusion.

The Organization is a Virginia not-for-profit corporation with federal tax-exempt status as a 501(c)(3) charitable organization granted in December 2001. The Organization is governed by a board of directors elected by the membership. Board members serve without compensation and are from various professional and business backgrounds

Basis of Presentation—The financial statements of the Organization have been prepared on the accrual basis of accounting. Revenues and expenses are recognized and recorded when earned or incurred.

The Organization follows accounting principles generally accepted in the United States of America. Accordingly, the financial statements reflect unrestricted, temporarily restricted, and permanently restricted net assets and activities. Net assets of the two restricted classes are created only by donor-imposed restrictions on their use. All other net assets, including board-designated or appropriated amounts, are reported as part of the unrestricted class.

In addition, under accounting principles generally accepted in the United States of America, contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. As of June 30, 2016, there are no temporarily or permanently restricted net assets.

Use of Estimates—Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NATIONAL ALLIANCE ON MENTAL ILLNESS - VIRGINIA BEACH
NOTES TO FINANCIAL STATEMENTS
June 30, 2016

Note A – Nature of Organization and Summary of Significant Accounting Policies-concluded

Income Taxes—The Organization is generally exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. The organization did not have any unrelated business income that would be subject to income tax.

Donated Services—The Organization receives a significant amount of donated services from unpaid volunteers who assist in support and program activities. No amounts have been recognized for these services in the Statement of Activities because the criteria for recognition under accounting principles generally accepted in the United States of America have not been satisfied.

Expense Allocation—The costs of providing various programs have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Consideration of Subsequent Events--Subsequent events have been evaluated by management through September 26, 2016, which is the date the financial statements were available to be issued.

Note B – Lease Commitment

The Organization leases its office space under an agreement entered into on December 18, 2002. This original 3-year lease was effective for calendar years from January 1, 2003 through December 31, 2005. This lease calls for annual increases of 4%, and contains automatic renewal provisions that call for at least 90-day notice of non-renewal by either party. Under those provisions, the Organization is currently in a 3-year term ending December 31, 2017. Rent paid under this lease was \$4,848 for the year ended June 30, 2016. The minimum future payments due under this lease are \$5,042 and \$2,571 for the fiscal years ended June 30, 2017 and 2018, respectively.
